

The Construction Industry Council (CIC) was formed on 1 February 2007 under the Construction Industry Council Ordinance (Cap. 587). Our Mission is to strengthen the sustainability of the construction industry in Hong Kong by providing a communication platform, striving for continuous improvement, increasing awareness of health and safety, as well as improving skills development.

The CIC is looking for a highly talented individual to fill the position of:

Manager – Construction Productivity

The applicant must possess

- (1) a recognised degree in engineering / surveying / architecture / science or other construction related discipline;
- (2) a minimum of 10 years' post-qualification work experience in engineering / surveying / architecture or other construction related fields; experience in supervising subordinates is preferred;
- (3) profound knowledge in project planning and management; solid experience in enhancing construction productivity will be an advantage;
- (4) a high level of integrity and a sense of responsibility;
- (5) strong interpersonal skills;
- (6) proactive, resourceful, creative, energetic character and can work independently; and
- (7) excellent command of both written and spoken English and Chinese.

(Applicants who do not possess the required qualifications and / or experience may be considered for other positions within the organisation.)

Duties include

- (1) to provide the assistance in taking up the duties to support the initiatives for enhancing the productivity performance of the construction industry;
- (2) to provide support to the CIC, the Committee on Productivity and task forces in undertaking assignments;
- (3) to initiate and manage research and consultancy projects funded by the CIC;
- (4) to liaise with the stakeholders and relevant parties for the implementation of research and

consultancy outcomes;

- (5) to prepare work plans, study briefs, research reports, papers, guidelines, standards, documents of technical nature as well as any other relevant documents for enhancing the performance of the industry;
- (6) to supervise subordinates; and
- (7) to carry out any other duties as assigned from time to time by the Executive Director.

Applications

The position is on a renewable fixed-term contract (subject to performance and operational needs) for a period of 2 years.

Please send an updated curriculum vitae, the results of English and Chinese Language obtained in public examinations, current and expected salary together with a covering letter stating one's suitability for the job and quoting the job reference number **(18 / M – COP – 122K)** to hrdm@cic.hk or by mail (please mark "CONFIDENTIAL" on the envelope) to the address below on or before **27 June 2018**. For further details on CIC please refer to website: <http://www.cic.hk>.
