Intermediate Trade Test Paper

Trade : Joiner

Skill Level : Semi-skilled Worker

Question : Complete the following item according to the drawing at the specified location:

- Fabricate an internal door (內籠門) of about 372 mm × 596 mm (the candidate is required to measure the dimensions on site) from a 376 mm × 610 mm plywood (with timber edge banding) with hand tools such as saw, plane etc, install on the frame provided at the test venue; must also install back flap hinge and drawer lock.
- During construction, the candidate must use hand tools to plane/peel the door edge, chisel hinge pit, conceal drawer lock and maintain the width of door seam to 2 mm, chamfer of wooden edge not cutting the hand. (1 mm round corner)

Test Time: 3 hours

- Notes:
- (1) The candidate must read the “Notes to Candidates” in the Annex before starting;
 - (2) If the candidate did not complete safety measures during the test, he/she will be deemed to have failed the test; and
 - (3) There are 3 pages in the question. All test items will have a full mark of 100 and 60 marks or above will be considered as pass.

Joiner Intermediate Trade Test Shop Drawing

Drawing not in proportion
Measurements in mm

Notes to Candidates :

1. Candidates should read the test papers carefully and ask the invigilator for any queries.
2. Candidates should study the drawings and specifications attached to test papers, if any, before the test begins.
3. Candidates should carry out the test according to test papers, working drawings and specifications provided.
4. Candidates shall bring their own safety shoes, other safety equipment will be provided by trade testing centre. Candidates must take all necessary safety precautions to ensure work safety.
5. All tools and materials required by the test will be provided by trade testing centre, candidates should check and ensure their adequacy and quality. Candidates shall use the tools and materials properly based on trade practice. All the tools must be returned to trade testing centre after the test. The candidates may ask the invigilator for any problems.
6. Candidates are required to handle and move the tools and materials for use in the test, and to carry out associated works.
7. Invigilator will take record photos periodically during the test.
8. Candidates are not allowed to take any photo or video with cameras or mobile phones.
9. Candidates are not allowed to use their mobile phones during the trade tests, except for emergency situation.
10. The marking scheme is based on the following criteria :

- a) Understanding of drawing and specification
