

List of Reference Materials for High Risk Activities

1. Working at Height	
A Guide to the Provisions for Safe Places of Work under Part VA of the Construction Sites (Safety) Regulations	Labour Department
Code of Practice for Metal Scaffolding Safety	Labour Department
Code of Practice for Bamboo Scaffolding Safety	Labour Department
Code of Practice for Safe Use and Operation of Suspended Working Platforms	Labour Department
Overview of Work-at-Height Safety	Labour Department
Guidelines on Planking Arrangement for Providing Working Platforms on Bamboo Scaffolds (Version 2 - September 2017)	Construction Industry Council
Guidelines on Work-Above-Ground Safety (November 2016)	Construction Industry Council
Work at Height Safety Handbook (2019)	Construction Industry Council
2. Heavy Lifting	
A Guide to Factories and Industrial Undertakings (LALG) Regulations	Labour Department
Code of Practice for Safe Use of Tower Cranes	Labour Department
Code of Practice for Safe Use of Mobile Cranes	Labour Department
Guidance Notes on Inspection, Thorough Examination and Testing of Lifting Appliances and Lifting Gear	Labour Department
Guidelines on Safety of Tower Cranes (Version 2 - July 2010)	Construction Industry Council
Safety Alert No. 001/16 Lorry-mounted Cranes Pre-use Checklist (June 2016)	Construction Industry Council
3. Temporary Works	
Safe System of Work	Labour Department
5 Steps to Risk Assessment,	Labour Department
Guidance Notes: Safety at Work (Falsework - Prevention of Collapse)	Labour Department
Safety Guide for Interlocking of Steel Sheet Piles	Labour Department
4. Electricity	
A Guide to Factories and Industrial Undertakings (Electricity) Regulations	Labour Department
Code of Practice: Safety and Health at Work for Manual Electric Arc Welding	Labour Department
Code of Practice for the Electricity (Wiring) Regulations	Labour Department
Guidance Notes for The Safe Isolation of Electricity Source at Work	Labour Department
Code of Practice for the Electricity (Wiring) Regulations	Electrical and Mechanical Services Department
Code of Practice on Working near Electricity Supply Lines	Electrical and Mechanical Services Department

5. Moving Machinery

Code of Practice on Safety Use of Excavators	Labour Department
Guidance Notes on Safe Use of Loadshifting Machines for Earth Moving Operations on Construction Sites	Labour Department
Guidelines on Safety of Site Vehicles and Mobile Plant (June 2008)	Construction Industry Council

6. Working under Hot Weather

General Guides on Prevention of Heat Stroke at Work in a Hot Environment	Labour Department
Risk Assessment for the Prevention of Heat Stroke at Work	Labour Department
Guidelines on Site Safety Measures for Working in Hot Weather (Version 3 - December 2019)	Construction Industry Council
Reference Materials on Construction Site Welfare, Health and Safety Measures (March 2017)	Construction Industry Council

7. COVID-19

A Guide On Formulating Business Continuity Plan	Centre for Health Protection
Safety Message No. 001/20 Prevention of Novel Coronavirus and Respiratory Tract Infection (February 2020)	Construction Industry Council
