

Construction Industry Council

Committee on Mainland Affairs
Summary of Meeting No. 003/25

Key Highlights

1. As of 11 September 2025, the Mainland Liaison Services (MLS) Department organised a total of 35 activities related to mainland affairs, including 25 meetings and exchanges, 8 technical visits, 1 mainland recruitment fair and 1 on National Affairs Course. The overall satisfaction rate of the activities reached 96%.
2. The business plans related to "technical visits", "business matching sessions", and "issuing the 'China Mainland Construction Technology Booklets'" in the Committee on Mainland Affairs (Com-MA) 2025 KPIs have been completed ahead of schedule. In response to changes in industry demand, the Mainland recruitment fair has been adjusted from two sessions to one, and the relevant fair has been completed. Other business plans are proceeding as planned.
3. Members proposed to discuss the future development direction of the dedicated committee, suggested continuing to promote connections with the Mainland while collaborating with overseas to address new challenges in the industry. By leveraging Hong Kong's branding and advantages, particularly through the promotion of MiC/MiMEP and professional services, it was suggested to collaborate with Mainland partners to complement each other's strengths and expand opportunities under the Belt and Road Initiative, thereby promoting new growth in Hong Kong's construction industry.

Construction Industry Council

Committee on Mainland Affairs

Agenda Item	Paper	Major Resolutions/ Progress Highlights
		As of 11 September 2025, the Mainland Liaison Services (MLS) Department organised a total of 35 activities related to mainland affairs, including 25 meetings and exchanges, 8 technical visits, 1 mainland recruitment fair and 1 on National Affairs Course. The overall satisfaction rate of the activities reached 96%. From the last meeting, three technical visits have been conducted, focusing on robotics and artificial intelligence, green low-carbon technologies and smart construction, and MiC/MiMEP supply chains. Moreover, the second issue of the 'China Mainland Construction Technology Booklets' has been published. The MLS Department plans to organise a technical study visit and exchange program focused on "Good Housing" and green low-carbon construction in the Greater Bay Area. A joint event with the China Council for the Promotion of International Trade (CCPIT), Construction Industry Branch, will host the 2025 World Cities Day main activities in China, titled "「國際城市與建設產業論壇」". The 7th National Study Course for Hong Kong Construction Industry will be held in Beijing, along with participation in the 2025 China Housing Expo. Members took note of the 2025 work plan of Com-MA.
3.5	--	Report on the progress of Com-MA Business Plan in 2025 Mr. Gordon GUO briefed members on the progress of the 2025 business plan of Com-MA. The business plans related to "technical visits," "business matching sessions," and "issuing the 'China Mainland Construction Technology Booklets'" in the Com-MA 2025 business plan have been completed ahead of schedule. In response to changes in industry demand, the Mainland recruitment fair has been adjusted from two sessions to one, and the relevant fair has been completed. Other business plans are proceeding as normal.

Agenda Item	Paper	Major Resolutions/ Progress Highlights
