

“LIFE FIRST 2024” CONTEST 2

“Construction Safety - Innovative Technologies and Design for Safety” Competition

The CIC encourages stakeholders to participate in “Construction Safety - Innovative Technologies and Design for Safety” Competition to demonstrate how to enhance construction safety and safety culture with the adoption of innovative technologies and design.

Eligibility

- Each participating team should have registered “Life First 2024 Walk the Talk - Synergy in Safety”. (Please register online on CIC Life First website)
- The Participating Team should consist of Client, Consultant, Contractor and Subcontractor representatives, etc.
- All construction projects applied for the Competition must still be in progress.

Assessment Criteria

- Demonstrate how to adopt innovative technologies to enhance site safety
- Demonstrate how to adopt design for safety to enhance site safety
- Team participation and cooperation
- Effectiveness in eliminating and reducing safety risks practically

Submission of Information

- A PowerPoint presentation with max. 10 slides and a video with no longer than 10 minutes to illustrate the information required in assessment criteria.
- The finalists must participate in the finals at the Hong Kong Convention and Exhibition Centre on 26 August 2024 and assist in the production of relevant exhibition boards for final scoring.
- The finalists must arrange their participating construction sites for guests to conduct on-site sharing and inspections.

Submission Deadline

- All participants must submit the materials via CIC Life First website on or before 6pm, 31 July 2024.
