

COMMITTEES AND BOARDS

(as of 31 December 2023)

Executive Committee

The Executive Committee was formed in 2018 with an aim to allow a more efficient decision-making process in the delivery of the CIC's services and initiatives. The Council Chairman is also the Chairperson of the Executive Committee. For close connectivity and institutional coordination, the Chairpersons of the main Boards and Committees, who are generally Council Members, sit on the Executive Committee. All major approvals are, in principle, vested in the Council, which meets bi-monthly in the even-number months, while the Executive Committee is also a bi-monthly forum in the odd-number months to discuss policies and new initiatives and brainstorm on important issues. On pressing occasions, the Executive Committee is empowered to act on behalf of the Council to approve urgent matters for operational needs, except those specifically reserved for the Council under the CICO. The approved items shall be reported to the Council in a timely manner.
