Construction Industry Basketball League 2024 Concludes Keen Competition Blossoms into Friendship

Hong Kong • 23 June 2024 – The Construction Industry Council (CIC) today held the "Construction Industry Basketball League 2024" Finals (Competition) at HKIC – Sheung Shui Campus. Mr. POON Kwok-ying, Director of Electrical & Mechanical Services, was invited as the Guest of Honour for the Award Presentation Ceremony. This year, 24 basketball teams from the construction industry took part and demonstrated outstanding performance at this annual competition.

The "Construction Industry Basketball League" was launched by the Construction Industry Sports and Volunteering Programme (CISVP) under the CIC in 2017 to promote exercise habits and athletic sense among industry practitioners. The competition has received positive response with active participation from the industry. The number of participating teams has increased from 20 to 24 since last year's edition.

This year, four teams clinched the spots in the finals after 58 exciting matches, and eventually Jumbo Orient Contracting Limited won the Gold Cup, with a 34:29 victory over Hong Kong Institute of Construction. While in the Construction Industry Council Cup, Sanfield (Management) Limited seized the championship after a tense game against Registered Specialist Trade Contractors Federation, winning by 51:33.

Construction Industry Sports and Volunteering Programme (CISVP) strives to encourage a healthy lifestyle and instill a caring culture amongst industry practitioners. For details of CISVP's upcoming sports and volunteering events, please visit www.cisvp.hk.

About the Construction Industry Council

The Construction Industry Council (CIC) was formed in 2007 under the Construction Industry Council Ordinance (Cap. 587). The CIC consists of a chairman and 24 members representing various sectors of the industry including employers, professionals, academics, contractors, workers, independent persons and Government officials.

The main functions of the CIC are to forge consensus on long-term strategic issues, convey the industry's needs and aspirations to the Government, provide professional training and registration services, and serve as a communication channel between the Government and the construction industry.
