3.1	CIC/CRB/M/002/23	Confirmation of the Minutes of the Previous Meeting Members confirmed the minutes of Meeting No. 002/23.
3.2		Matters Arising from the Previous Meeting Nil.
3.3	CIC/CRB/P/013/23 (for information)	Brainstorming Discussion on How to Attract the Expired Construction Workers to Rejoin the Construction Industry Members discussed the target audience, attractive aspects of the construction industry and the ways to reach out to relevant workers and the salient discussion points were as follows: (a) The number of expired workers in the database was accumulative figure since the implementation of workers registration. Members opined that expired Electrician might probably still work in the renovation sector while expired Construction Goods Vehicle Drivers

Agenda Item	Paper	Major Resolutions/Progress Highlights
		<p>were likely to have engaged in other industries. Members suggested to further analyse the trades of the expired Registered Semi-skilled and Skilled Workers under the age of 55 so as to screen and identify relevant trades for appropriate follow up actions.</p> <p>(b) It was recommended to share construction industry recruitment day information with expired workers to test the market responses.</p> <p>(c) More accurate target workers would be identified through data analysis. In terms of outreaching target workers, success rate would be higher if mentors, former employers, and trade unions made the contact instead of via telephone surveyors or the Secretariat.</p>
3.4	CIC/CRB/P/014/23 (for information)	<p>Brainstorming Discussion on How to Encourage Registered Semi-skilled Workers to advance to Registered Skilled Workers</p> <p>Members discussed on how to further encourage Registered Semi-Skilled Workers to advance to Registered Skilled Workers and the salient discussion points were as follows:</p> <p>(a) Members suggested to enhance the promotion of training courses for Registered Semi-Skilled Workers advance to Registered Skilled Workers and provide support for Registered Semi-Skilled Workers with less experience. Employers should be encouraged to increase the wage gap between Registered Semi-Skilled Workers and Skilled Workers as well as provide incentives for workers to proactively upgrade their skills.</p> <p>(b) Employers should be encouraged to promote trade tests among the experienced Registered Semi-skilled Workers.</p>

Agenda Item	Paper	Major Resolutions/Progress Highlights
		<p>(c) It was recommended to promote the reinforcement of the requirements on Registered Skilled Workers and Semi-skilled Workers in private sector works.</p> <p>(d) The Construction Workers Professional Development Scheme would continue incentivising Registered Semi-skilled Workers to advance to Registered Skilled Workers in both new works and RMAA works. The Scheme would be further promoted with concerted efforts with industry stakeholders.</p>
3.5	CIC/CRB/P/015/23 (for approval)	<p>Tender Recommendation for the Fixed-Term Procurement Contract for Supply of Accessories and Consumables for Card Printing</p> <p>(a) The tendering procedure for the contract was complete. The tender assessment performed by the Procurement Department resulted in the lowest bid offered by Toppan Forms (Hong Kong) Ltd, which also met all technical requirements.</p> <p>(b) Members approved the awarding of the contract to Toppan Forms (Hong Kong) Ltd. at the a price of HK\$ 1,646,070 for three years.</p>
3.6	CIC/CRB/P/016/23 (for approval)	<p>Nomination Organisations for the Construction Workers Review Board</p> <p>The Construction Workers Review Board is a statutory board appointed by CWRB in accordance with the composition specified in the Construction Workers Registration Ordinance (CWRO).
